Thanks for supporting us! You're awesome!

Please respect our license terms by **not sharing** or selling the files or prints.

Commercial licenses are available if you want to print and sell the terrain.

KEY CONCEPTS

The Hab Stacks are designed to be placed in a number of ways. There are several sizes of Hab Stacks in addition to the Frame.

There are 4 different habs:

Docking Unit

Hab A & B can be placed into the recesses of the Dock

Building a Frame

The Frame and Frame Floor can be stacked on top of each other to create a vertical stack of habs.

Ladders can be clipped into the floors of the frame using the groove on the ladder.

Hab units are placed onto the frame.
